

STANDARDIZED TEST PREPARATORY RESOURCE

This document contains links to preparatory resources for various standardized tests. In addition to using these resources, it is critical to take practice tests frequently, to evaluate your progress, and to decide when it is optimal to take the real tests.

GRE:

Here's a link to some useful GRE resources:

<https://drive.google.com/drive/folders/1i1sII3hLcXdSYx2hZTxjqhKw6RLP-bOu>

This drive contains multiple preparatory materials, but most people find the ETS guide and Manhattan problem booklet most useful.

TOEFL:

Here are some TOEFL preparatory resources:

Official ETS TOEFL guide: <http://livre.fun/LIVREF/F20/F020008.pdf>

Magoosh TOEFL guide: https://toefl.magoosh.com/guide-toefl-ibt?_ga=2.210107164.867739996.1598208045-1460996098.1558419358

In my opinion, these resources cover the necessary concepts for this test.

GMAT:
